Re: Grimes Reunion and related business

Last June, my brother Don volunteered himself and me as this year's co-chairmen. If you can't place me, I am Mayo's oldest who lived in either Alaska or Arizona for 34 years ending in 2003. Dottie and I now live in Wilmington.

The reunion will be at the Ruritan club building in Everetts, NC on Sunday June 26, 2005:

09:00 the building will be open & the Spring Green PB Church Renovation Fund board usually meets
11:00 General meeting
12:00 Dinner
01:00 Business meeting

Those not attending the board meeting are welcome to arrive at anytime to socialize and/or to prepare for events.

I am advised that Fund board will have some exciting, good news to report.

As always, **donations** will be solicited for **reunion expenses** (building rental et al) and for the **Spring Green PB Church Renovation Fund**. Since donations to the Fund are tax-deductible, a check would be best for your own records. If you are like me, you usually rely on plastic and don't travel with checkbook. I have to make a special effort to remember to carry a checkbook to the reunion. Of course you can mail donations to the Fund as follows:

Spring Green PBC Renovation Fund
c/o Bob Grimes
POB 293
WENDELL, NC 27591

I thank Ben Grimes for making the building arrangements.

I have put considerable effort into what I hope to be a good beginning of a correct extended family mailing list. I do not know the families or living arrangements of most who will receive this reminder, so if I have directed it to the inappropriate member(s) of your household, please accept my apologies and please do sent me of the correct name(s), relationships, and addresses in the format below. The address label should be directed to parents rather than school-age children. It should, however, include the names of all adults of interest in the household.

The format and an example below show of what I am attempting to collect. I will make the list available to anyone in the family. I would like to identify a primary and an alternate (from different households) in Martin, Pitt, and Beaufort, counties as well as Emporia to assist me: one would be my alternate. Hopefully primaries would be e-mail proficient. E-mail addresses would not be published, but any single e-mail address would be available to any family member.

You can send such information to me by **US Mail or e-mail at: geepost@ec.rr.com**

I envision an address/e-mail/phone-pyramid-notifying-net being used to inform members of projects and meetings of the Spring Green PBC Renovation Fund, reunions, funeral services, updating Rufus's [The Grimes-Llewellyn Families: 1635-1972](#) and possibly being used to develop a web site (less e-mail addresses). Please let me know your thoughts.
